Product Code: 77875

Length: 250mm

Nap: 16mm

Diameter: 58mm

Colour: yellow and white, orange stripes

0740781778698

Product Code: 77869

Length: 300mm

Nap: 16mm

Diameter: 58mm

Colour: yellow and white, orange stripes

Polyamide/ microfibre technology

1. For smooth surfaces
2. Superior paint absorption and release
3. Ultra smooth finish - low stipple
4. Ultra high coverage
5. Longer wearing and easy cleaning

Large 58mm diameter

1. Greater paint pickup
2. Covers large surfaces
3. Faster painting
4. No spatter

European made

1. Advanced manufacturing
2. Superior fabric
3. High durability - longer wearing
4. Many years of testing

Semi-tight woven blend

1. Provides the finest possible finish
2. Better paint release
3. Easy cleaning
4. Lint free

Ultima Micro 16mm premium blend

Suitable for use on smooth surfaces with water-based paints. Continuous filament technology is designed for superior paint pickup and release to give exceptional coverage, spreading rate and a smooth fine finish. This unique fibre mix will give longer life and is easy to clean. With the combination of polyamide and microfibre fabrics the Ultima Micro guarantees the smoothest possible finish.
