

Superiore 22

Nylon roller

Fabric is woven and mounted onto a solvent-proof core

Absorption/Dispersion: ★★★★★

Performance/Result: ★★★★★

Wear/Resistance: ★★★★★

Indicated uses:

Internal or external, smooth to rough surfaces. Flat, matt and low sheen paints.

Suitable for:

Acrylic, vinyl water based paints, membranes and water based water proofing solutions.

0740781778827

Product Code: 77882

Length: 250mm

Nap: 22mm

Diameter: 58mm

Colour: gold and tan

0740781778834

Product Code: 77883

Length: 300mm

Nap: 22mm

Diameter: 58mm

Colour: gold and tan

Fabric technology

1. For smooth to rough surfaces
2. Superior paint pickup and release
3. Deep penetration on rough surfaces
4. Low stipple finish on smooth surfaces
5. Longer wearing and easy cleaning

Large 58mm diameter

1. Greater paint pickup
2. Covers large surfaces
3. Less time reloading roller in tray

European made

1. Advanced manufacturing
2. Superior fabric
3. Longer wearing
4. Tested to European standards

Semi-tight woven

1. Provides a finer finish
2. Better paint release
3. Easy cleaning
4. Less spatter

Superior premium quality

The semi-open weave and unique fibre construction holds more paint and releases it under light pressure, providing high coverage on multiple surfaces. The 22mm blended fabric will give minimal stipple on smooth surfaces while still penetrating rough surfaces and providing an outstanding paint holding and release ability. This fibre mix will give longer life and is very easy to clean.
